

# Kindergarten

"Enter To Learn Christ; Exit to Serve Christ"

## Next Week in Kindergarten: (April 23-27)

Next week in math we will cover designs using tangrams and pay for items using pennies, nickels, dimes, and the quarter. In Religion we will talk about Baptism. We will experiment in science to see if we can get roots to grow up. We will write in our journals about how we can care for the earth. Pretzels and licorice will be used for a letter review. Our MLC field trip is on Thursday.
