Thank you

 year! Have  
 a wonderful  
 summer!  
 Always keep  
 growing  
 and learn-  
 ing in

You are a very special person,  
 And I want you to know  
 How I loved to be your teacher.  
 How fast the year did go!  
 Please come back to visit me  
 As through the grades you  
 grow.  
 Try hard to learn all you can  
 There is so much to know!  
 The one thing I tried to teach  
 you  
 To last your whole life through,  
 Is to know that you are special  
 Just because you are you!

**What do we work on in Preschool?**

Young children are constantly learning about the world around them. Most children learn best through experiences and "hands-on" activities. Therefore, what may look like "just playing" to an onlooker, is really an abundance of learning opportunities. Here are a few things your child will be working on in preschool:

- Following classroom rules and routines
- Listening attentively and responding appropriately to stories and group activities
- Interacting appropriately and effectively with others..
- Counting, number recognition
- Recognizing and writing name
- Identifying shapes, colors, and letters
- Exploring roles and relationships and language development through dramatic play
- Fine and gross motor skills
- Recalling Bible stories/lessons
- Making the Sign of the Cross, participating in prayers
- Sorting, patterning, classifying
