

Sail into St. Anne's Preschool

Enter to Learn Christ. Exit to Serve Christ.

Week of:

February 12-15

Weekly Theme:

Pasta/Pizza & Beach Party

"Stories of God's Love": Chapter 27 Valentine's Day

Welcome to St. Anne's for the 2017-2018 school year.

This week we will talk about different ways to show love to family members and others as we celebrate Valentine's Day mid-week. We take a break from winter with an indoor beach day on Tuesday! On Monday and Thursday we will be read some pasta and pizza stories and do several related activities—including using a pasta to form letters, making "Noodle Heads", making our own mini pizzas for snack and setting up a Preschool Pizza Shop in our classroom.

Important Information & Reminders

- February tuition is due
- No School Monday Feb. 19 (optional conferences)
- Remember tennis shoes on Tuesdays and library books on Thursdays

Beach Ball

What are we working on this week in Preschool?

Young children are constantly learning about the world around them. Most children learn best through experiences and "hands-on" activities. Therefore, what may look like "just playing" to an onlooker, is really an abundance of learning opportunities. Here are a few things your child will be working on in preschool:

- Following classroom rules and routines
- Listening attentively and responding appropriately to stories and group activities
- Interacting appropriately and effectively with others.
- Using correct pencil and scissors grasps
- Identifying, and writing numbers. Understanding number and quantity.
- Rhyming words/sounds
- Following two-part directions
- Estimating number/quantity
- Sequencing
- Creating simple patterns
- Alphabetical and numerical order
- Identifying and writing upper and lower case letters. Understanding beginning letter sounds.
- Identifying different ways to give to and show love to others and ways to be kind to others.
- Describing what it means to be a friend.
- Making the sign of the cross, participating in prayers
